

# STUDENT LEADERSHIP SHENANDOAH COUNTY

STRASBURG • CENTRAL • MOUNTAIN VIEW

## Building Future Leaders Together

June 10 – 14, 2024

***Would your company like to help emerging young leaders develop their skills and leadership potential?***

Student Leadership Shenandoah County (SLSC) works to build future leaders as well as promote our community to attract young people to live, work, and raise a family here.

SLSC is a one-week interactive, informative program to strengthen and prepare high school juniors and seniors for personal, organizational, and community leadership. A half-day opening retreat and leadership journey overview launches the program, followed by 4 daily sessions. A graduation celebration is held.

Up to 10 students will be selected from each high school. Home-school and private school students are welcome to participate as well.
