Ferst Readers uses data from school test scores to regularly evaluate its program effectiveness. These scores are provided by your child's school district but do not include your child's name, address or other identifying information. By enrolling your child in this program, you agree to the inclusion of your child's test/assessment data in our data collection. *(This information is provided anonymously.)*

I certify that this child is under the age of 5 and have confirmed that this is a participating Ferst Readers Community.
